TO: ALL SHAREHOLDERS OF PALISADES WATER USERS, INC.

The officers of the company have determined that it is important for the company to file a claim in the Snake River Basin Adjudication proceeding. In order to do so, it is necessary to describe the place of use for the water.

It is essential for you to provide us with a legal description of the acreage upon which storage water available pursuant to your stock is to be used. Please use the chart at the bottom of this page to list the number of acres in each 40-acre parcel to which any of your Palisades storage water is to be applied.

In addition, it will be necessary for the company to include the filing fee of \$1.00 per acre with the Notice of Claim when it is filed. Please enclose your check to Palisades Water Users, Inc. in the amount of \$1.00 for each acre you show below in the land list.

We cannot overemphasize the importance of your prompt compliance with this request. Please ensure that the check and the list are sent or personally delivered to Mr. Ronald D. Carlson, secretary of the company, at 150 Shoup Avenue, Idaho Falls, Idaho 83402 on or before August 31, 1989. Your failure to do so may result in the loss of your storage rights.

If you have questions or need assistance, please feel free to call upon Mr. Carlson at 525-7172 or the company's attorney, Mr. Kent W. Foster, at 523-0620.

Thank you for your prompt response.

Yours very truly,

Ronald D. Carlson
