RE: Enlargement claim 01-10510

Dear Peter Cannon,

Attached is a copy of the enlargement claim 01-10510. Please review it carefully to make sure that it is correct. The priority date is based on the beginning of the irrigation season following the transfer of the other water rights appurtenant to the same property. No water is actually assigned to an enlargement, despite what the claim may say. The 0.62 cfs is just a filler. No additional water is gained with this claim.

The enlargement is for a total of 30.6 acres. The fees for this claim include \$100 for the claim and \$2.00 per acre. The total fee comes to \$161. Checks should be made payable to IDWR.

Please return the enlargement claim signed and notarized with the required fee to this department as soon as possible. Thank you for your time.

Respectfully,

Kristin Moore
