Dear Claimant:

It has come to our attention that you may have purchased a tract of land in Jefferson County. The property to which I am referring was most recently owned by Ellis-Bramwell Ditch Co. The legal description is as follows:

See attached claims for legal descriptions.

This property was filed on in the Snake River Basin Adjudication (SRBA), and we recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s). If you are not the current owner, please contact our office to let us know.

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

If you have questions regarding this matter, please call 525-7161.

Respectfully submitted,

Katy Jackson

Domestic and/or Stockwater Rights in Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 65, the Payette River basin. We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in these basins will be recommended in a later process.

Note that you have 120 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Payette, Emmett, Idaho City, Cascade and Weiser, and at all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed later this year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

RE: Amended Water Right Notices of Claim
A01-00257, A01-00300, A01-10215.

Dear Mr. Hansen:

Enclosed are the amended Notices of Claim changing the names and the places of use for the notices previously submitted by you, Theo Hanson, and Jerry Becker, as requested.

I combined the original notices A01-00362 and A01-00362 onto a single Notice of Claim, A01-10215, since they both had the same priority date of June 1, 1888. The three enclosed Notices of Claim must be signed in Item #16 by an officer of the Ellis-Bramwell Ditch Company, notarized, and returned to the Idaho Department of Water Resources (IDWR) before they become permanent record changing the original notices.

Also as requested, I researched to see if anyone has filed an adjudication notice on the A.E. Bramwell Decreed Right, 01-0293, (Feb. 20, 1909) for 15.6 cfs. I could not find any recorded claim in the computer for either the entire right nor a portion thereof.

If you have any questions, please give me a call at 1-525-7161.

Sincerely,

Tony Olenichak
Senior Water Right Agent
