RE: Subcase Nos. 01-4014 & 01-10242 (Wadsworth)

Dear Special Master Dolan:

I am enclosing a *Notice of Completed Administrative Proceeding* ("NCAP") for each of the above-referenced water rights. Attached to the NCAPs are Amended Director's Reports that reflect the three-way splitting of these water rights as discussed during the past status conferences. Water right number 01-4014 has been split into right numbers 01-10558, 01-10559 and 01-10660, and water right number 01-10242 has been split into right numbers 01-10561, 01-10562 and 01-10563. The Amended Director's Reports for the two split rights recommended to Futures of Idaho have been modified from the original recommendations to delete the acreage belonging to the Bureau of Land Management ("BLM") to resolve the BLM's objection to the place of use element of the water rights.

If you should have any questions or comments, please feel free to contact me at 287-4810.

Sincerely,

A handwritten signature in blue ink that reads "Andrea L. Courtney". The signature is stylized with a large, sweeping flourish at the end.

Dear SIR/MADAM:

The Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for a portion of the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated with new water right numbers reflecting the division of the water right(s).

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,
