RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claims **95-16055**, **95-16056**,
and **95-16057**

Dear Mr. and Ms. Marsan,

The Idaho Department of Water Resources is currently in the process of reviewing claims filed in the CSRBA. In the review process, I ran into some confusion as to what name(s) should be listed as owners of the 3 claims identified above:

When you filed the 3 claims, the name you wrote on all 3 claims was:

MARSAN JOHN M ETUX TRUSTEES

However, claims **95-16055** and **95-16057** were signed by both John and Shirley Marsan while claim **95-15656** was never actually signed¹.

The Kootenai Co. parcel information indicates that the ownership of at least one of the parcels claimed as a place of use is:

MARSAN LIVING TRUST

Generally, when the ownership of the property to which the water right is applicable is in the name of a trust, the "trust" will be listed as the claimant (or owner of the claim), and then the trustees will be stored in the database as trustees (but don't actually show up on the face of the claim).

I think, for clarity, you might want to amend the claims to list MARSAN LIVING TRUST as the claimant.

For your convenience, I have prepared 3 amended claims with the updated claimant name. Nothing else on the claim has changed from when they were originally filed. Please review the claims and if the proposed changes are acceptable, sign the claims and return them to this office within 14 days of receiving this letter.

¹ At a minimum, claim 95-16056 needs to be signed to be considered a complete claim.

If you have questions or disagree with the changes, please contact me and we can talk about the best way to move forward.

Respectfully,

Craig L. Saxton
