RE: Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No(s). 95-16212

Dear Robert & Sherry:

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right 95-16212 is appurtenant to property you own. During a preliminary review of this claim, it was noted that there had been a discrepancy in the **Priority Date** and **Quantity** claimed. There was some correspondence with the previous owner to get some clarification. In order to insure that this information is correct, we have included an Amended Claim for your signature.

In addition, we have enclosed a Notice of Change of Water Right form, that we ask you complete and return to us with a copy of the deed in order to have proper documentation to reflect the ownership of the property and the water right.

Please do not hesitate to contact our Adjudication staff at 1-800-451-4129 if you have any questions regarding this matter.

Sincerely,

Lori Harris
