Dear Mr. Unruh:

We are returning your Notice of Claim. Item #6 needs a more general usage described and an amount of water listed. Please refer to the copy of page 4 of the instructions for guidelines.

You list in item #8 that 8 homes are supplied water. If that is the situation then an application for a water right that leads to a water right license is required.

Sincerely,

A handwritten signature in black ink, appearing to read 'Knoblock', written over a horizontal line.
