Attachment 4: KAMBEROS, MARY #7140

September 1, 2009

My sister, Mary Dochios Kamberos owns both homes located at 10852 West Hidden Valley Road and 10622 West Hidden Valley Road. The homes are adjacent to one another. The primary well is shared between the homes and is located nearer to the home at the 10622 address. Currently there is an adequate supply of water from that well for domestic use for both homes and a new pump was installed this summer on this well.

There is another well located near the front of the home at 10852, but that well does not produce enough water and therefore has been capped. It may be developed in the future. The house at 10822 also uses water for a few fruit trees located to the east of the home.
