Nick, Denise and I spent several hours over the last couple of days working on resolution of the state's objection to Natural Guardian's water rights from Sheridan and Willow Creeks. Rather than splitting all these rights I suggested to Rob Harris and David Barber that we modify the recommendations so only 21-2054A is appurtenant to the State's land. Rob agreed with the idea and David indicated he needed to speak with Allen Ruberry at IDL before agreeing. Hopefully he will have an update for today's status conference. Yesterday Rob Harris came to office and we reviewed available the maps, aerial in question there is some state land being in how some of the land is irrigated. Rob in the field visit and collect the
