RE: Ownership of Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right Nos. 94-4209 and 94-9226

Dear Property Owner,

Our office has been advised that you may be the new owner of Shoshone County Parcel Numbers RP48N03E120750 and RP48N03E120600 which include the water rights referenced above.

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water rights 94-4209 and 94-9226 are appurtenant to the property you own. Before we can modify our records to reflect your ownership of these rights, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents transferring ownership of the property. In your case, this will be a copy of the document transferring title from the previous owner to the Leoda M Living Trust. Please follow the instructions included with this form and return it to our office with all the required information. As our time is growing short in Basin 94, I also ask that you return the change in ownership form to us as soon as possible.

If you have any questions regarding this matter, please do not hesitate to contact our adjudication staff at 208-762-2800.

Best Regards,
