Re: 95-14209

Dear Mr. Coulter:

We have processed the Notice of Claim to a Water Right for the Leithe Family. The claim was for domestic, irrigation of one acre and fire protection. Domestic use is household use and up to ½ acre of irrigation. Water can be used from any source to fight an existing fire without recorded water right. The fee that was submitted with the claim was for \$25 which covers the domestic use and we can recommend the right for domestic use. For the recommendation to cover one acre of irrigation the total filing fee would be \$51 (\$50 flat fee and \$1 per acre). A balance of \$26 would be needed.

Sincerely,
