Dear Ms. Buffington:

Please find the attached Notices of Change of Water Right Ownership. These forms do not indicate any changes in the City of Boise's ownership, but request changes to how the City of Boise is listed as owner on its claims. Our intent is to have all the City's claims listed under the same format: City of Boise, followed by the managing Department and address.

Hopefully the forms are completed to your satisfaction. There are three forms and accompanying lists of water rights; one each managing department within the City of Boise. Also included is a list of Department heads as requested in item 7 on the Notice. If you have any questions please give me a call at 384-3984.

Sincerely,

Beth K. Baird
Environmental Program Coordinator

RE: This right was licensed for Water Quality Treatment.

However at #9 they list the specific uses and they appear to be more Industrial or Municipal in nature.

Speaking with Gary Spackman. He indicated that unless there was actual 'Pollution Dilution' then the right should be recommended as "I" or "m".

Flagged for possible field exam!
