Re: Change of Ownership

Dear Claimant:

It has come to our attention that you may have sold a tract of land in Payette County that has been filed on in the Snake River Basin Adjudication (SRBA). Our information suggests that Alan Burns and Duane and Katheryn Waldemer now own this property. According to our records, you are the most recent owners of this property. The legal description is as follows:

Approximately 30 acres within T09N R05W S11 NENW, NWNW, SWNW, & SENW

Idaho Department of Water Resources received ownership change information from Duane and Katheryn Waldemer. We have not received any information from Alan Burns. In order to correctly split these water rights we need an ownership change form from Alan Burns as well as any additional information that you can provide related to the split of these water rights, including if you are retaining any portion of the property that was originally irrigated under these rights. We have enclosed copies of the recommendations for these water rights. When reviewing the enclosed recommendations, please note that you may only own a portion of these rights.

Please respond by encouraging Alan Burns to submit the Change in Ownership form if you have contact with him. We are sending him a copy of the information he needs to submit the Change in Ownership form. Also, if there is any additional information relating to the split of these water rights that would be helpful, please respond by letter or phone call. Please send copies of any documents you have that support your information. We sincerely appreciate your help in correctly changing the ownership for these water rights.

If there have been additional changes in the ownership of the property connected with the water right claim(s) referenced above, please call this office toll-free at 1-800-451-4129 so we can contact the new owner(s) regarding their water right(s). Also, if you have any additional questions, please call. You may reach me directly at (208) 287-4918.

Re: Change of Ownership

Dear Claimant:

It has come to our attention that you may be the owner of a tract of land in Payette County that has been filed on in the Snake River Basin Adjudication (SRBA). According to our records, Betty Atterbery Bell and Jimmy Thompson were the most recent owners of this property. The legal description is as follows:

Approximately 30 acres within T09N R05W S11 NENW, NWNW, SWNW, & SENW

Idaho Department of Water Resources received notice from Betty Atterbery Bell that you own a portion of this property. We have also received ownership change information from Duane and Katheryn Waldemer who also recently purchased property from Betty Atterbery Bell. We would like to correctly split these water rights between the new property owners and in order to do so we need you to provide a change of ownership. We have enclosed copies of the recommendations for these water rights. When reviewing the enclosed recommendations, please note that you may only own a portion of these rights.

We recommend that you file the enclosed Change in Ownership form with the department if you own the property in question and use the water for the purposes claimed. This will allow us to send all further correspondence to the appropriate owner(s). Please fill out the form completely, sign and date it, and return it to my attention along with a copy of your Warranty Deed and legal description of the property.

If there have been additional changes in the ownership of the property connected with the water right claim(s) referenced above, please call this office toll-free at 1-800-451-4129 so we can contact the new owner(s) regarding their water right(s). Also, if you have any additional questions, please call. You may reach me directly at (208) 287-4918.

RE: Snake River Basin Adjudication (SRBA)
Notice of Change of Water Right Ownership
Notice of Claim to a Water Right #3-10243

Dear Claimants:

We are returning your Notice of Change of Water Right Ownership form. We need your assistance before we can process this change.

The identification number of your water right has been changed from #67-4324A to 3-10243. Nothing else on this water right claim has been changed.

Our parcel data doesn't contain your parcel. Would you please provide us with a copy of your Warranty Deed (including Exhibit A) and a plat map (available from your Assessor's Office).

Katharyn's name is also on the tax lot sheet you sent us, but only Duane signed the ownership change form. Please either provide proof of conveyance from Katharyn to Duane, or add Katharyn's name to the form at Item #4 and have her sign the form at Item #7. If you add Katharyn's name to Item #4 and put "or" or "and/or" as the name connector, Duane's signature alone will suffice.

Please return the form to my attention. Please call me toll-free at 1/800-451-4129 if you have any questions.

Sincerely,

Sally Sherman

AFFIDAVIT

Betty Attbery Bell being first duly sworn,
deposes and says: In 1946 my mother, Ruth
Thompson purchased this farm. She & my
brother, Jimmy Thompson farmed it. The water
to irrigate the land was pumped from the
unnamed slough and rill irrigated. Daphne were
so bad she later had a sprinkler system
installed with a 15 HP motor and pumped the
water for it out of the unnamed slough. It is
still operating from the same system for the
farm irrigation. The two water rights above came to
my brother & me as did the farm from her. She
deeded my husband, Marshall Earl Attbery & me 1.1 acre
of land & the 67-4324 B is ours. Mine now as he
was deceased in Oct-1992
