4-13-06

- Called Keith told him if he wants to use water from Grove creek and Paul spring creek on all of land he would have to file 2 enlargements. One for each source. He said he didn't want that. He wants each source to irrigate the land it was decreed to or in the case of Grove creek the land that it was transferred upon through an accomplished change.

TK.

Document how the POU was verified:10/6/04  
DO

Field exam showed that claim is irrigated with wheel lines and hand lines

There is a county road that takes some ground out of NWSE of Section 6

There are some willows that aren't irrigated in NESE of Sec 6, but that ground is pasture.
