RE: 95-14576

Dear Mr. Green:

An adjudication of the waters of Hayden Lake was done in 1968 to 1972. Enclosed is the claim submitted by Lowell Armitage, a letter from Mr. Armitage and the court's decision. The decision was to disallow the claim because there was no pump in the lake. The earliest date of priority that would be acceptable is April 11, 1969.

If you have any questions, please contact us.

Sincerely,
