Dear Mr. Maxey:

I'm enclosing two Notices of Claim to Water Rights.

The first claim is for the well which I had installed in 1998. The second is for a diversion from Coeur d'Alene Lake which was commenced when our original cabin was constructed in 1947.

I appreciate having received from you the ariel photos which were a great help in locating the points of diversion.

Please let me know if there is any additional information that you might need to perfect these claims.

Very truly yours,
