Falls. I am required to notify the court of the change in owner and I am in the process of doing this. The owner will be changed to reflect Boyd C. & Jill J. Smith Trust and these claims will be sent to you in another mailing.

Finally, the fourth column reflects the claims that were not changed to reflect your client as the current owner. Claim A22-00208 was split in 1991 into an "A" part and a "B" part. Our records show that neither part was in the name of Twining. Again in 1991 the "B" part was split four more times into a "C" "D" "E" and "F". Again, our records show that none of these parcels of property was in the name of Twining. If the Smith's can prove through legal documents that they own all or some of these parts, then our office will proceed with this change. Otherwise, there is not enough evidence at this time. Copies of computer print-outs for A22-00208 and A22-00208B are enclosed.

If you have further questions regarding these matters, please contact me or Senior Water Agent Dave Carlson.

Re: New Property Owner Notice of Change of Water Right Ownership/
State of Idaho Department of Water Resources Assignment of Notice
of Claims

Dear Glen:

We enclose with this correspondence two documents, a New Property Owner Notice of Change of Water Right Ownership and an Assignment of Notice of Claims these documents represent notice to the department of a change in water rights ownership in attendant to the purchase of certain real property located in Teton County by our clients, Boyd and Jill Smith. Apparently these documents have been languishing in someone's file for a considerable period of time but have never been forwarded to the appropriate office. Our records reflect that the documents were originally filed and that suggestions were made for changes and corrections. These current changes and corrections were made and the documents resubmitted but apparently no action has ever been taken on the same. We believe that the appropriate fee has already been submitted but again our uncertain whether that fact has been documented in your office.

We take this opportunity to forward these documents directly to your attention with the hope that you might forward them on to the appropriate office for proper processing. Please do not hesitate to contact me if you have questions or if there is additional information which is needed or if we need to review the matter of any fees or charges which need to be paid in conjunction with appropriate processing.

RE: CHANGE IN OWNERSHIP FOR TWINING AND SMITH

Dear Mr. Hopkins:

Enclosed are the documents you submitted to change the ownership from Twining to Smith. In order to process the change there are several items that need to be discussed.

First of all, "assignments for permits" are to be submitted to Jim Johnson's office in Boise with a fee of \$25. The address for the State office is 1301 N Orchard St, Boise ID 83706-2237.

The Department is now requesting a Warranty Deed with an aerial photo or platt map, showing the property being conveyed, accompany all Notices for Change of Ownerships (NCO). This applies even if both parties sign the NCO.

The Notices of Claim not found to be in Twining's name are "circled". They are A22-00043; 22-00489; and 22-00028.

A22-00063 is not listed on the NCO you sent, but it has been filed under Twining's name in the SRBA. Is it to be included in the "change"?

Please call if you have any questions regarding these changes or additions.

Sincerely,

Jo Thompson
Adjudication Secretary
