Dear Mr. Carlson,

Last summer we purchased 5 additional lower acres of pasture adjoining our original 10 acres. We have water rights (WR/NO A22-00318B) on Darby Creek to irrigate the original 10. Inasmuch as the additional 5 acres were originally irrigated from the same headgate and ditches that serve our upper 10, we would like to file for water to irrigate them. Dee O'Brien who is aware of the location of the headgate and ditches and who is our local watermaster advised us to submit a claim.

On the basis of the foregoing and the enclosures, would you please send us the appropriate application form(s) and instructions so that we may go forward with the process.

Thank you for your cooperation in this matter.

Sincerely,

Gordon H. Brown
