_____	)	

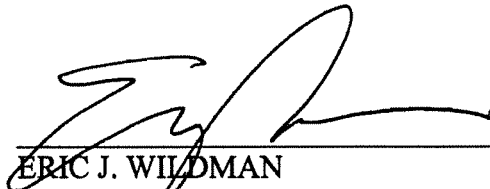

On January 30, 2017, the Court entered a final order disallowing water right number 94-2064. Then, on July 17, 2017, the Snowshoe Mining Company, a corporation, filed a *Motion* asking the Court to set aside the *Final Order* pursuant to Idaho Rule of Civil Procedure 60(b). A hearing on the *Motion* was held on October 17, 2017. At the hearing, Donald Beehner appeared on behalf of the Snowshoe Mining Company. Mr. Beehner is not an attorney licensed to practice law in the state of Idaho. The Court instructed Mr. Beehner that while a non-lawyer can represent himself in a legal proceeding, he may not represent a business entity without engaging in the unlawful practice of law. I.C. §§ 3-104 & 3-420. Therefore, the Court could not allow the *Motion* to be pursued through a non-lawyer. The Court informed Mr. Beehner that it would give the Snowshoe Mining Company until November 21, 2017, to retain an attorney and have that attorney file an appearance in this matter to pursue the *Motion* should it so choose.

Therefore, IT IS ORDERED, that the Snowshoe Mining Company shall have until November 21, 2017, to retain an attorney and have that attorney file an appearance in this matter.

IT IS FURTHER ORDERED that a status conference in this subcase is set for **November 21, 2017, at 1:30 p.m. (Pacific Time)**, at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho. Telephone participation will be available by dialing 1-720-279-0026 and entering 786692# when prompted. **However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult**

to accurately record. Video conferencing ("VTC") will also be available by appearing at either (1) the Idaho Department of Water Resources, Northern Regional Office, 7600 N. Mineral Drive, Suite 100, Coeur d'Alene, Idaho, or (2) the Idaho Department of Water Resources, Idaho Water Center, 322 E. Front St., Conference Rm. B, Boise, Idaho.
