Re: 95-14697

We have reviewed your Notice of Claim to a Water Right. You state that there is no well or house on the property now. Since there is no use of water then a water right has not been created and you have nothing to file in the North Idaho Adjudication. When you finalize your plans you can check with use to get the necessary steps needed to develop a water right. You do have the opportunity to withdraw you claim.

Sincerely,

Kenneth Knoblock
Water Right Supervisor
