Dear Marvin and Elaine,

1. ATTACHED are copies of the above referenced claims which reflects the CHANGE IN OWNERSHIP of the lands and appurtenant water rights covered by these claims.
2. SPECIAL NOTE ON SPLIT CLAIMS A67-02361 A & B:
 - a. These claims were claimed separately by father & son for a separate portion of claim No. A67-02361, thus, the ownership change has been made for the A & B portions separately to you.
 - b. I am returning the ownership form for the base claim because the "A" & "B" splits exhibit A67-02361. During final review of these 2-splits, the base claim (A67-02361) may be recombined, if reasonable.
 - c. A good reason to leave them this way now is because the place of use for the irrigation was claimed differently than what was originally licensed by IDWR, for the "A" portion.
3. The Department will contact you in the future concerning any requirements that may be needed in order to process these claims for final court decree.
4. If you have any questions concerning the enclosed claims, please feel free to contact this office.

12. **ALLOCATION OF PROFITS AND LOSSES FOR INCOME TAX PURPOSES:** (a) the net profits and losses of the Partnership shall be allocated proportionately to the Limited Partners and General Partners in proportion to the

number of Units held by each such Partners as compared to the total number of Units of the Limited Partners and the General Partners.

The numerator of such fraction shall be the number of days of such year that he was a partner in respect of such interest, and the denominator of such fraction shall be the number of days of each year. Any predecessor or successor of such partner in respect of such interest shall share in such profits and be charged with such losses on the same basis.

13. **DISTRIBUTION OF INCOME:** (a) Distributions of the net profits or net losses of the Partnership shall be made at least annually in the proportions specified herein unless the General Partners determine that the reasonable needs of the business require that a given amount of earnings be retained by the Partnership, in which

case such amount may be retained and transferred pro rata to the partners' respective capital accounts.

(b) The fiscal year net profits of the Partnership shall be distributed to the Limited Partners and to the General Partners in the ratio that each partner's number of capital Units, whether General or Limited, bears to the aggregate Units of General and Limited. Such payments made pursuant to this paragraph are not intended to be guaranteed payments pursuant to Section 707(c) of the Internal Revenue Code.

14. **NOMINEE:** The title to all Partnership properties shall be held in the partnership name, or in the name of any nominee (including a General Partner so acting) designated by the General Partners. The General Partners may enter into nominee agreements with any such person, and such agreements may contain provisions indemnifying the nominee, except for his willful misconduct.

15. **DISSOLUTION AND TERMINATION:** (a) The Partnership shall terminate: (i) upon the death, resignation, incapacity or bankruptcy of all of the original General Partners, unless the remaining limited partners and any and all successor General Partners agree to continue the Partnership; or (ii) upon the agreement of all General Partners and all other Partners who hold a majority interest in the partnership income.

(b) For purposes of this paragraph 15, a General Partner shall be deemed incapacitated only upon receipt by the Partnership of a written statement signed by the General Partner's physician stating that he considers the General Partner to be so mentally or physically incapacitated as to be unable to give prompt and intelligent attention to his financial affairs.

(c) If upon the death, resignation, incapacity or bankruptcy, or any combination thereof, of all of the original General Partners the other Partners elect to continue the Partnership under paragraph 15 and they select a new General Partner, the interest of the replaced General Partners shall automatically be converted into a Limited Partnership interests (as of the date of such election by the remaining partners) and such converted interests shall be entitled to the same interest in capital, profits and losses as the interest of the retired General Partners, and ten percent (10%) of the interest of the newly selected General Partner shall automatically be converted into a General Partnership interest (as of the same date) and such converted interest shall be entitled to the same interest in capital, profits, and losses as before the conversion.

16. **DISTRIBUTIONS UPON LIQUIDATION:** Upon liquidation, the Partners shall continue to share profits or losses during liquidation in the same proportions as before dissolution. The Partnership assets or proceeds thereof shall be distributed in payment of the liabilities of the Partnership in the following order:

(b) To the payment of the debts and liabilities of the Partnership to the Partners;

(c) To the setting up of any reserves which the General Partners deem necessary for any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partners arising out of or in connection with the Partnership. Said reserves shall be paid over by the General Partners to a commercial bank to be designated by the General Partners, as Escrow Agent, to be held for the purpose of disbursing such reserves in payment of any of the aforementioned contingencies, and at the expiration of such period as the General Partners shall deem advisable, to distribute the balance thereof in the manner provided in this paragraph and in the order named;

(d) To the General Partners and Limited Partners to the extent of their net credit balances in their capital and current undistributed profits accounts;

(e) To the General Partners and Limited Partners in the ratio that each Partner's number of capital Units, whether General or Limited, bears to the aggregate Units of General and Limited. If there is not a sufficient amount to return all

capital contributions to the Partners, they shall share pro rata in the losses in the same proportion as set forth in Paragraph 12;

(f) In the event of a liquidation distribution of the Partnership's property in kind, the fair market value of such property shall be determined by an independent appraiser actively engaged in appraisal work, selected by a majority of the Partnership interests and such Partners shall receive an undivided interest in such property equal to the portion of the proceeds to which he would be entitled under the immediately preceding subparagraph of this paragraph, if such property were sold;

(g) A reasonable time as determined by the General Partners, not to exceed one year, shall be allowed for the orderly liquidation of the assets of the Partnership and the discharge of liabilities to the creditors so as to enable the General Partners to minimize any losses attendant upon liquidation.

17. **LIMITATION ON LOSSES:** Notwithstanding any other provision in this Agreement, no Limited Partner shall be liable for losses of the Partnership in excess of such Partner's capital contributions to the Partnership.

18. **POWER OF ATTORNEY:** (a) Each Limited Partner, by the execution of this agreement, does irrevocably constitute and appoint each General Partner, with full power of substitution, as his true and lawful attorney, in his time, place and stead, to execute, acknowledge, swear to and file (i) the original certificate of

formation of limited partnership and all amendments thereto required by law or the provisions of this agreement; (ii) all certificates and other instruments necessary to qualify or continue the Partnership as a limited partnership or partnership wherein the Limited Partners have limited liability in the states or foreign countries where the Partnership may be doing business; (iii) all instruments which effect a change or modification of the Partnership in accordance with this agreement; and (iv) all conveyances and other instruments necessary to effect the dissolution and termination of the Partnership. Each General partner hereby appoints each other General Partner as his true and lawful attorney to execute, acknowledge, swear to and file the original Certificate of Limited Partnership and the Certificate of Assumed Business Name and all amendments thereof.

(b) The powers of attorney granted herein shall be deemed to be coupled with an interest and shall be irrevocable and survive the death of a Limited Partner. In the event of any conflict between this agreement and any instruments filed by such attorney pursuant to the power of attorney granted in this paragraph, this agreement shall control.

19. NOTICES: All notices, consents and demands contemplated hereunder shall be in writing and shall be deemed given if mailed by first class mail, postage prepaid, and addressed as set forth in this agreement. Any partner may specify

a different address by sending a notice thereof to the Partnership. If the address of the Partnership is changed, written notice thereof shall be mailed to each Partner. The General Partners shall mail a copy of the Certificate of Limited Partnership and any amendments thereto to any limited partner upon the written request of any limited partner, but shall not otherwise be required to deliver or mail a copy of the certificate or amendment to limited partners.

=20. **TRANSFER OF PARTNERSHIP INTEREST:** (a) The Partners do not want Partnership interests to be made generally available to persons other than the present Partners. Therefore, the parties agree that no Partner will transfer any of his or her Partnership interest except in accordance with the terms of this paragraph 20 or with the prior written consent of all of the other Partners. No attempted transfer of any Partnership interest not in accordance with the terms of this paragraph 20 or the prior written consent of all other Partners shall be valid or reflected on the Partnership's books.

(1) Any Partner or his or her representative who wishes to transfer any of his or her Partnership interest, or who has reason to believe that an involuntary transfer or transfer by operation of law (including but not limited to a transfer under a Will or trust as a result of the death of a Partner) is reasonably foreseeable, shall first give each other Partner written notice of his or her intent to transfer such offered Partnership interest or of his or her knowledge that such involuntary transfer or transfer by operation

of law is reasonably foreseeable. Such notice must contain a description of what portion of his or her total Partnership interest that will be so transferred, the consideration that will be paid (if any), and the terms of transfer and of any payment of consideration (including, but not limited to, the relative percentages of cash and debt, and the duration, interest rate, and payment schedule of any debt instruments), and the name, address (both home and office), and business or occupation of the person to whom such Partnership interest would be transferred, and any other facts which are or would reasonably be deemed material to the proposed transfer.

(2) Upon the receipt of such notice, each Partner shall have a right to buy a proportionate share of the offered Partnership interest. Each Partner may buy a share of such Partnership interest with the same proportion to the whole of such Partnership interest as his or her own Partnership interest bears to those of all Partners (except the transferring Partner). If some Partners do not exercise their option, the remaining Partners may exercise the option to purchase any interests of the Partners who are not exercising their options. Each Partner may exercise this right of first refusal by giving the transferring Partner written notice within thirty (30) calendar days after receipt of the latter's notice.

(3) If the Partners do not agree to buy all of the offered Partnership interest, the transferring Partner may complete the intended transfer. If such

transfer is not completed within thirty (30) calendar days after expiration of the last exercise period, any attempted transfer will be deemed pursuant to a new offer and this section shall again apply.

(4) If the proposed transfer for which notice is given under paragraph 20 is a transfer for value, and if the proposed transferee proposes to make payment in cash, debt instruments, or any type of property for which there is a national or regional public market (including, but not limited to, stocks, bonds, or other securities regularly traded on a regional or national exchange or over-the-counter), then each Partner who elects to buy part of the offered Partnership interest under this paragraph 20 shall do so at the same purchase price as was contained in the transferring Partner's written notice of intent to transfer. The purchase price may be paid in equal amortized annual installments over a period of twenty years, with zero downpayment and the deferred balance bearing interest at the longterm applicable federal rate in effect at the time of the transfer for transactions of this type. The buyer will give the selling Partner a promissory note as evidence of this debt, and the buyer may prepay all or any part of the principal balance of the note at any time without penalty or premium.

(5) If the proposed transfer is not described in subparagraph (4), then each Partner who elects to buy all or any part of the offered Partnership interest under this paragraph 20 shall do so at its fair market value. The fair market value of

such Partnership interest shall be determined by an independent appraisal performed by the Certified Public Accountant regularly employed to prepare the tax returns of the partnership or, if there be no such Certified Public Accountant, by another Certified Public Accountant selected by the General Partner, whose decision in this matter shall be conclusive. The fair market value appraisal shall take into account appropriate discounts for lack of marketability and minority interest or any other pertinent discounts. Such purchase price shall be paid at the closing for the sale of such Partnership interest, as follows: zero percent of such purchase price in cash at such closing, and the balance in twenty (20) equal amortized annual installments beginning one year after the date of such closing, with simple interest included in each installment, computed against the outstanding principal balance at the long-term applicable federal rate in effect for transactions of this type on the date of such closing.

(6) The purchase of a Partnership interest pursuant to this paragraph 20 will take place at a closing to be held not later than the tenth (10th) day after the earlier of: (1) the date on which the Partners' purchase options all have expired; or (2) the earliest date on which the Partners in the aggregate exercise their purchase options, if any, to buy all of the offered partnership interest. The closing will be held during normal business hours at the Partnership's principal business office, or at any other place to which the parties agree. At the closing, the buyer will pay for the

Partnership interest, and the Partnership will change its books to indicate the change of Partnership interest.

(7) Notwithstanding any of the other provisions of this paragraph 20, the right of first refusal shall not apply to any transfer(s) made by Elaine Ann Weber or her estate.

(b) Condition Precedent to Admission of Substitute Partner.

Notwithstanding the provisions of paragraph 20, no person to whom a Partnership interest is properly transferred shall be substituted as a new Partner in place of the transferring Partner until (1) he has agreed in a writing delivered to the General Partners, to assume all of the obligations and undertakings of the transferor under this Agreement; and (2) he has paid to the General Partner a fee not to exceed five hundred dollars (\$500.00) to cover the preparing, executing and recording of all pertinent documents.

21. **TERM:** The Partnership shall commence as of the date on which the General Partners shall have signed this agreement and a certificate of limited partnership shall have been duly filed. It shall continue until termination as provided herein or in any event on December 31, 2036, unless all of the then existing Partners agree in writing to extend the termination date.

22. **TAX ELECTIONS:** No election shall be made to exclude the Partnership from the application of the provisions of Subchapter K of the United States

Internal Revenue Code ("the Code") or from any similar provisions of state tax laws. If a Partnership interest is transferred, a Partner dies, or Partnership assets are distributed to a Partner, the General Partner may, in his or her discretion, cause the Partnership to elect to cause the basis of the Partnership's assets to be adjusted for federal income tax purposes under Code Sections 734 and 743.

23. **ADMISSION AND EXPULSION OF LIMITED PARTNERS:**

(a) Admission of New Limited Partners. A person may be admitted as a Limited Partner by the decision of the General Partner, provided that he consent in writing in a form satisfactory to the Partners, to be bound by this agreement.

(b) Expulsion of Limited Partners. Any Limited Partner may be expelled from the Partnership on the decision of the General Partners owning a majority of the total of the general partners' units. Upon the expulsion of any Partner, the Partnership shall be required to pay to such Partner an amount equal to the fair market value of such expelled Partner's Partnership interest on the same terms and conditions as set forth in paragraph 20. The fair market value of such expelled Partner's Partnership interest shall be determined by an independent appraisal performed by the Certified Public Accountant regularly employed to prepare the tax returns of the Partnership or, if either there be no such Certified Public Accountant or such Certified Public Accountant be unacceptable to the expelled Partner (as indicated by such expelled

Partner's written protest delivered to the General Partners within five (5) days of such expelled Partner's knowledge of his or her expulsion), by another Certified Public Accountant selected by the General Partner, whose decision in this matter shall be conclusive. The fair market value appraisal shall take into account appropriate discounts for lack of marketability and minority interest or any other pertinent discounts.

24. LIMITED PARTNER'S DEATH, INSANITY, OR INCOMPETENCY: A Limited Partner's death, adjudication of insanity or incompetence will not dissolve the Partnership. Rather, the executors or administrators of the estate of the deceased Limited Partner, or the committee or other legal representatives of the estate of the insane or incompetent Limited Partner, will have the same rights (subject to the same limitations) as the deceased, insane or incompetent Limited Partner, and shall be subject to the provisions of paragraph 20(b) subject to assigning the interest of the deceased, insane or incompetent Limited Partner.

25. EARLY WITHDRAWALS: No partner, whether general or limited, shall have the right to withdraw from the partnership, except if none of the original general partners are still acting as general partners, or unless all of the then remaining original general partners consent in writing to the withdrawal. Any attempted withdrawal, except as provided in the two instances set forth immediately above, shall be in contravention of this agreement. A withdrawing general partner's otherwise

distributive share shall be subject to and reduced by damages caused by the premature withdrawals including, but not limited to, all income and other taxes and future financing costs associated with having to liquidate assets or borrow to pay for the withdrawing partner's share, and lost profits and opportunity costs associated with assets essential to the operation having been distributed or sold to satisfy the withdrawal request. INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Section 42-1409(7), Idaho Code. This statute provides that new property owners notify the Department of Water Resources (IDWR) of any change in ownership of a water right during an adjudication of water rights, and if a claim for the water right has not been filed to file the needed claim(s).

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. If you would like any of these brochures or if you have questions about completing this form please contact your nearest office of IDWR or you may call 1-800-451-4129 (toll-free).

The first line of the form asks for the date of closing so IDWR will have a record of the effective date of the property transfer.

The second line of information requires the legal description of the property being transferred. This information is **ESSENTIAL** and should be available from the documents that will be present at the time of closing. The first two lines of the legal description **MUST** be completed. IDWR's records are based upon legal descriptions using township, range, section and fractions of a section descriptions, and this information must be included on the form. If you also have available a legal description based upon a townsite or subdivision and lot and block number, please also include this additional information. A lot and block legal description is **NOT** a substitute for the township, range, section and fraction of a section description.

After completing the legal description, if all water is supplied by a public service water supply you may check the first box; complete the name, address and telephone information for yourself, the new owner; sign the form in the space provided and return the form to the IDWR office nearest you.

If there are water rights associated with the property, the seller should be able to provide you with the water right number(s). The water right number(s) for the property are to be put in the space provided at the second box on the form. If you or the seller believe there are water rights for the property but the numbers are unknown, then you may wish to call or come into an office of IDWR for assistance in identifying the water rights for the property involved. If claims for the property have not been filed you will be so advised by IDWR.

After the water right number(s) for the property has been entered on the form, complete the name and address information for **BOTH** the former owner/seller and for yourself, the new owner, in the spaces provided. Please also include your telephone number. If the property you have purchased is only part of the property owned by the former owner/seller, you may be purchasing only part of the total water right held by the seller. This means the water right held by the seller must be split so you get your proportionate share of the water right. Be sure to include a description of the portion of the water right you have purchased. The seller should be able to help you describe the portion of the water right for the property you have purchased.

If the former owner/seller will sign the form and the seller is shown as the claimant of the water right in IDWR's records, then you do not need to attach proof of ownership of the land or the water right. The seller should know if the original claim was filed by him, or if the seller has filed a change in ownership so the seller is shown as the claimant of the water right in IDWR's records. If the seller is not going to sign the form then you must attach some proof of ownership of the property described at the top of the form or proof of ownership referencing the specific water right(s) for the property.

The new owner must sign the form in the space provided. If the former owner/seller is available to sign the form please do so in the space provided.

When complete, the new owner and the former owner/seller should each retain one of the copies and return the original of the form to IDWR. You may return the form to the IDWR office nearest you or to: Idaho Department of Water Resources, Statehouse Mail, Boise, ID 83720-9000, Attention: Adjudication Bureau.
