Hi Craig,

Lori Graves has 67-2243 and 67-2251 so I will forward this on to her. I will send you the lists of what each person has as soon as I get them. They will be barcoded and I have requested lists - so that should help. Hope all is ok on this wonderful working Saturday.

See ya,
Jan

Subject: Overlap

Hey Jan,

If you have a list of who has what claims, could you pass this onto the person with 67-2243 and 67-2251 as it is on the list of claims we sent over.

67-30C overlaps with 67-2243 and 67-2251. I of course has file 67-30C.

I was planning on recommending 67-30C for 0.925 cfs with an acre limit of 42 acres. But I don't know what the overall boundary will be with 67-2243 and 67-2251.

So when whoever has these files conducts and overlap analysis, they shouldn't have to spend time figuring out a split tree as I already have it. They can call me with questions. (the A & B portions are recommended)

Thanks,

C
