1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We believe there is also a water right on this property from Bull Elk Creek as shown in a copy of this 1988 Claim Form.

2. Describe the changes you wish to make in the proposed recommendation:

I would like a water right recognized from Bull Elk Creek!

3. Give a brief explanation as to why you disagree with these portions:

My Father watered out of the ~~Robison~~ Robison Ditch since he bought this property in the 60s. Robison Ditch is a diversion from Bull Elk Creek.

☐ I AGREE with this proposed recommendation: no changes need to be made.
