Re: CHANGE OF WATER RIGHT OWNERSHIP.

Dear Ms. Swainston:

The Idaho Department of Water Resources has begun review of the water rights claims filed in the Snake River Basin Adjudication (SRBA) in the Teton River drainage, Basin 22. There are a couple of water rights claims, previously filed by William Hansen, about 1999, on property that, according to the Teton county Assessor, is now held by you.

If this is in deed the case it will necessary for you to file with the department a Notice of Change of Water Right Ownership, with supporting documentation as noted on the form. Please provide some evidence that you own any portion of the historic decreed water rights. Often a deed or property conveyance instrument will discuss water right conveyances with the property transaction. I have enclosed an ownership change form for your convenience.

Thank you for your timely attention and consideration in this matter. If you have questions please feel free to contact this office.

Respectfully submitted,

Allen B. Ruberry
