E. **REASONS SUPPORTING OBJECTION(S):**

The United States of America, through the Bureau of Land Management, is the owner of the land upon which the point of diversion (POD) is claimed. The claimant's use of Federal land is unauthorized. One cannot establish a water right by aid of trespass. Claimant's water right should not include this POD. Claimant has filed an application for right-of-way (ROW) on 09-08-2017, however BLM has not granted a ROW as yet. IDWR filed an NCAP with the court which does not resolve BLM's issues therefore BLM must object again.
