Comment: POD taken from Intrepid Engineerings FE on 11/20/01.
2. csaxton 8/12/2004 Domestic Diversion Rate
Comment: Reduced diversion rate on domestic from 0.04 cfs to 0.02 cfs because it is assumed that the irrigation portion of this right covers external household use. Domestic assumed to be for internal use only.
3. csaxton 8/12/2004 Ownership
Comment: Ownership change needs to be filed. Letter of request sent, but at this time, no response received. Recommend ownership as claimed.
4. csaxton 8/12/2004 Priority Date/Well
Comment: There is a well log in the file that shows a well drilled in May 4, 1987. But there is also an affidavit that supports that the well was in place long before the claimed priority date of 5/5/1955. Based on this evidence, I am assuming that the well drilled in 1987 was a replacement well.

RE: CHANGE IN OWNERSHIP FOR SNAKE RIVER BASIN ADJUDICATION
(SRBA) 63-18488

Dear Sir or Madam:

It has come to our attention that you may have recently purchased a tract of land in ADA County. According to our records, the property to which I am referring to was most recently owned by Charles and Lola Ward. The legal description is as follows:

T02N R01E S6 SE1/4 SW1/4

This property was filed on in the Snake River Basin Adjudication (SRBA). IDWR is currently in the processing of reviewing the Adjudication claims in basin 63 part 2. We recommend that if, in fact, you now own the property in question, and do use the water for the purposes claimed, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

If you have any questions regarding this matter, please call this office at 334-2190.

Respectfully submitted,

Craig L. Saxton

Dear Claimant(s):

In the past, you submitted the above referenced claim(s) in the Snake River Basin Adjudication. Enclosed is a computer generated print-out of the claim(s) for your reference only; this print-out is **NOT** to be returned or re-filed. You have indicated when this claim was filed that the water right(s) was based on either a "Statutory Claim" or "Beneficial Use" of the water. Water rights of this type are established by the historical use of water for a beneficial purpose, dating back to the time the water was first used, this date being the "Priority Date" as shown on the enclosed print-out. Your claim(s) has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is under a legal requirement to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water. Any other claims you may have filed, that are not listed above, do not require evidence of priority be submitted at this time.

Enclosed is a pamphlet entitled "Evidence of Priority" which describes why evidence of the priority date is necessary along with examples of types of evidence that can be submitted to fulfill this requirement. If no evidence is submitted, or we do not hear from you within the time limit below, your priority date, as claimed, may not be recommended to the Court for decree. This could jeopardize your water use under this right(s), if water availability problems arise in the future. It is our goal to decree the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify claims in this area are now being conducted by Department personnel. Please contact this office as soon as possible to schedule a field exam appointment convenient for you.

The required evidence supporting the priority date(s) must be submitted by September 1 1995, referencing all documents with the corresponding claim number(s). If you have any questions not covered by this letter, or the enclosed pamphlet, please call the Western Region office shown above.
