Last Name: NKWD Identification No. 95-9129

Attachment #2 – Remarks (Late Claim for No. 95-9129)

North Kootenai Water District (“NKWD”) is a public utility district and municipal water provider that provides municipal water to customers within its service area.

NKWD finalized the Asset Transfer Agreement with the Stylte Development in early 2008. NKWD is currently operating and maintaining the Selkirk Meadows system as part of the Atlas Acres System.

Statement of Completion for Submitting Proof of Beneficial Use was submitted on 6/13/2008. A claim for this permit was not filed earlier on the assumption that this was a post-commencement permit. On closer examination, NKWD determined that proof was filed before the date of commencement (11/12/2008). Accordingly, a claim is necessary to preserve this water right permit.
