Identify water right(s) for which extension is requested

State why an extension of time is requested, explaining how a diligent effort has been made to meet the deadline:

In doing its due diligence, it was discovered that a beneficial use claim should be filed to claim the historic use of water associated with the property, which is represented by claim no. 95-17381. The underlying licensed water right, 95-7090, was timely claimed. Because 95-17381 is an outgrowth of 95-7090 that was only discovered through its due diligence, claimant requests an extension of time to file claim no. 95-17318. Claim no. 95-17831 is included with this request.

Claimant requests an extension to December 31, 2017
