Dear Mr. McTaggart:

Please contact me concerning the water right claim that you provided to our office for the Northern Idaho Adjudication (NIA). A copy of your NIA claim and pond photographs are enclosed.

A letter addressed to the Department is needed to document when the changes in water use from the original water right were made. You should also review the enclosed photos and decide if they should be included as additional evidence for your claim.

Please telephone me, if you have any questions, at (208) 762.2816.

Respectfully,

Shaun M. Maxey
Sr. Water Resources Agent
