Dear Claimant:

Your Notice of Claim to a Water Right filed for your Gooding County property is returned because several items were incomplete or blank. Your check # 4504 in the amount of \$ 75.00 is also being returned. Upon completing the items on the Notice of Claim as required, please return the completed claim form and the filing fee, unless you exercise the deferral option described in the enclosure.

Another set of instructions is enclosed to assist you in completing the form. If you decide to continue the decree of your water right at the present time, please put the initials of your name in the space provided above and return the claim completed to the best of your ability to this office with the fee along with this letter.

Before returning your claim you should read the enclosed information concerning the option of deferring filing domestic and/or stockwater claims. You are encouraged to complete the process of securing your water right to your property; however, the decision is up to you.

If you choose to submit the claim please complete the necessary corrections before MAY 1, 1989, to avoid being assessed a late filing fee. Should you choose to defer a determination of your water right until some time in the future, you do not need to do anything further. Please do not hesitate to contact any office of the Department shown in the instructions if you have any questions or concerns.
