Re: 95-15187

We are returning your Notice of Claim. The date of priority is listed as April 1, 1987. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then change the date and return the claim. We did come across an aerial photo dated August 8, 1965, which shows your float home.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
