Minutes of adjourned regular meeting of the City Council held Monday August 12th, 1929.

Meeting called to order by Mayor Donovan.

Roll Call, present: Councilmen Carlock, Henricksen, Kersey, Speedy, White. Absent: Councilman Downey.

At this time the Mayor stated that he had called the Council together to discuss the water situation and to make some arrangement whereby the people of all parts of the City could have an uninterrupted supply for household use, and for protection from fire; also that he had arranged for the presence of Mr. C.H. Messer, representing the Fairbanks-Morse Company, at the meeting.

Introduced by Mayor Donovan, Mr. Messer briefly and concisely stated just what he considered was necessary to give the Capitol Hill section a plentiful supply at all times, he recommended the installation of a booster pump to force water from the lower to the upper reservoir and quoted prices for pumps of different capacity.

After a full consideration of the matter a motion by Councilman Carlock seconded by Councilman Henricksen, that the City purchase a 3 inch centrifugal pump, direct connected to Fairbanks-Morse ball bearing motor, capacity 300 gallons per minute, price \$494.59 was carried unanimously by the following roll call vote, Ayes: Carlock, Henricksen, Kersey, Speedy, White.

After instructing the City Clerk to furnish the Fairbanks-Morse Co. with a copy of the minutes of this meeting an adjournment was taken subject to call.

Approved Sept. 3, 1929

M. J. Donovan
Mayor.

At this time the Mayor introduced Mr H.J. Tremby, a consulting engineer from the Fairbanks-Morse Co., Spokane, in regard to the betterment of the waterworks system of the City and the pumping equipment. Mr. Tremby outlined several propositions and advanced much valuable information, but refrained from making any definite recommendation until he had placed the data he had obtained on the system before a hydraulic engineer. He recommended the installation of an automatic pump, capable of delivering either 500 or 600 Gals. per minute to the upper reservoir.

The application of Mrs. Eliza McCarter for free water for one year was presented to the Council, and after some discussion was referred to the Finance Committee.

No further business appearing, the Council adjourned subject to call.

At this time Mr. C. G. Cromwell appeared before
the Council for the purpose of calling the at-
tention of the Mayor and Council to a case of
trespass against the City. His statement was
to the effect that in laying a water main to
conduct water to the Cemetery ground, the City,
without asking permission, or securing right of
way, crossed a corner of his land west of the
Cemetery and he now claims damages for the
trespass. The Mayor referred the matter to the
water committee.

The minutes of the regular and adjourned
regular meetings held during the month of June
were read and approved by unanimous vote of the
Council.

Minutes of the adjourned regular meeting of the City Council held July 10, 1930.

Meeting called to Order by Mayor Donovan.

Roll call: Present, Councilmen Carlock, Downey, Henricksen, Kersey, Speedy, White.

Opening the meeting a letter from Mr. Conkling a representative of the Byron Jackson Co. of Portland, relative to specifications submitted by his company for additional pumping equipment was read. Following this Mayor Donovan stated that he had called the Council together at this time to consider former plans for improving the pumping plant. If the present sources of supply were to be maintained indefinitely it was his opinion that the time had come when the Council must take final action for providing better pumping equipment. The plans of the Byron Jackson Company were still available for consideration and as Mr. Conkling stated in his letter that he would be glad to come to St. Maries and reopen negotiations with the Council looking to the purchase and installation of an auxiliary pumping plant the Council, after due deliberation, instructed the City Clerk to arrange for a date when Mr. Conkling could meet with the Council.

At this time the Council took into consideration the installation of a phone at the pump house and by unanimous vote authorized Councilman Carlock to arrange with the Interstate Utilities Co. for phone connection with the pump house.

No further business appearing the Council adjourned subject to call.

Minutes of adjourned regular meeting of
the City Council held July 16, 1930.

Meeting called to order by Mayor Donovan .

Roll call: Present, Councilmen Carlock, Hen-
ricksen, Speedy, White. *absent Jimmy McLeary*

On opening the meeting, which was called for
the purpose of conferring with Mr. D. W. Conkling,
a representative of the Byron Jackson Co. Port-
land, Oregon. Mr. Conkling stated that he was pre-
pared to enter into contract with the City for
the delivery of a two pump unit, according to the
plans and specifications contained in a letter
submitted to the Council under date of April 29,
1930, after a former consultation with the City
Council. After mature deliberation the Council
decided to install the new equipment which de-
cision was confirmed by motion as follows:

Moved by Councilman Carlock, seconded by
Councilman Speedy: " That the Mayor and Finance
Committee be authorized to enter into contract
with the Byron Jackson Company of Delaware for
a two pump unit auxiliary equipment at the con-
tract price of \$4,187.00, the same to be paid
for in monthly installments as specified in
contract", which motion was carried by roll call
vote as follows: Ayes, Councilmen Carlock, Hen-
ricksen, Speedy, White.

At this time the City Clerk was directed
to write Mr. Fuller, Dist. Sup't. C.M. St. P & P. Ry.
relative to crossing at or near 23rd Street.

No further business appearing the Council
adjourned subject to call.
