Background: claim filed by Hanawalt and paid \$25 (COO7623). Claim not acceptable - returned to Hanawalt. Claim never returned and fees still exist on Receipt COO7623.

Mr. Cordovano contacted the Department stating he had purchased the Hanawalt property & Mr. Hanawalt dropped off the previous IDWR correspondence. Mr. Cordovano filed a new claim. I initially felt we might be able to apply the Hanawalt fees to Mr. Cordovano's claim, however, the paperwork does not give us enough justification to do so (i.e., Warranty Deed describes lot & sub., neither claim lists lot/sub.).

I notified Mr. Cordovano today that he had 2 options - (1) contact Hanawalt and get written authorization to apply fees on COO7623 to Cordovano claim; or, (2) pay the \$25⁰⁰. I told him he had 30 days. He is currently unemployed and stated he didn't have the money.

If no response by 12-15-90, write Mr. Cordovano, returning claim, stating fees required & give him 30 days to return claim w/ fees w/o penalty. Also, provide Hanawalt refund.

RE: Snake River Basin Adjudication (SRBA)

Dear Mr. Cordovano:

Thank you for inquiring about filing water rights. I have enclosed some literature for you to study and determine whether you will need to file a claim or not. If you are on City water, for instance, you do not need to file a claim. Additionally, if the only water you use is delivered by a ditch or irrigation company, you should not have to file; the delivery organization is the one responsible for filing and you should contact them to confirm that they have done so. On the other hand, if you have a well, you may need to file a claim.

After you read the enclosures, you may call our toll-free number (1/800-415-4129) to have forms mailed to you. Or, you may contact our Eastern Region Office in Idaho Falls at 525-7161.

Sincerely,

RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right - Blaine County

Dear Mr. and Mrs. Hanawalt:

We have now been able to review your claim which we recieved in June of last year. As you can see from the enclosed copy of the letter to Mr. Hoerni, several modifications are necessary on the initial claim which was submitted in order to clarify the description of the water right.

Several modifications are also needed on your claim before we can process it. Specifically:

a. Please clarify Item 6. Write out the use (Domestic) and complete dates of use for domestic purposes which are generally 1-1 to 12-31;

b. Item 10 needs to be completed. Usually, the place of use is the same as the point of diversion. If so, the information from Item 4 can be copied to complete Item 10;

c. Item 11, 12, and 13 need to be completed.

d. Your signatures need to be notarized.

Please return this claim with modifications by April 9, 1990 and we can complete processing. Please contact Helen Harrington at 327-7935 if you have any questions or need assistance.

Sincerely,

Helen Harrington-Thornton

Dear Mr. Hanawalt:

I am writing in regard to the claim to a water right filed by yourself and Jean A. Hoerni. I have enclosed a photocopy of the original claim, and a copy of the letter sent to Jean Hoerni. As the letter explains, it is not possible to claim two separate households, with a priority date after March 25, 1963 on one claim unless there was an application for permit filed for the water right prior to the Commencement of the SRB Adjudication.

As stated in the enclosed letter there are two options. Please review these options, and either file a claim for your own portion of the source (well), or together you and Jean Hoerni need to file an application for permit.

I have enclosed both a Notice of Claim to a Water Right and instructions, as well as an Application for Permit and instructions.

If you choose to file the second adjudication claim, please return the claim form to this office ATTN: H. Harrington before March 3, 1989 to avoid any late fee. Also if you could please include a copy of this correspondence as a reference. Please do not hesitate to contact this office if you have any questions or concerns.

RE: Claim No. A37-12786
Receipt No. C004479

Enclosed are the above referenced forms.

I have processed your claim to a water right, however there is a problem with claiming two separate households on the same claim. After March 25, 1963 all groundwater developments required an application for permit, except single, family domestic and stockwater wells using less than 13,000 gpd. Your priority date indicates that there should have been a permit filed for the well.

There are two options for filing your water right at this time, they are:

1. file two separate SRB Adjudication claims, one for each household, with the priority dates corresponding to the dates when each house first used water from the well.
2. file an application for permit for multiple households on one source, the priority date for both homes would be the day the application is received by the Department of Water Resources, and withdraw your SRB adjudication claim.

Your claim has been accepted for one household with a priority date 12-31-1979, as indicated on the claim, however the second household needs to file a separate claim on the same source with a priority date when the water was first used, unless you withdraw your claim and exercise option #2 above.

Since the Check for \$25.00 was from you, Jean Hoerni, I processed the claim as if you were filing for the single household. Mr. Vance Hanawalt now needs to file an additional claim on the same source.

I am sending Mr. Hanawalt a copy of this letter and a claim form for filing, if you and he opt for #1 above.

Please review the data-entered claim enclosed and if there is any incorrect data, please make the appropriate corrections, sign and have the claim form notarized and return it to this department as an amendment to your original claim, otherwise you should keep the data-entered record with your copy of the initial claim.
