RE: Insufficient Filing Fees for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12432

Dear Claimant(s),

The Idaho Department of Water Resources has reviewed your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim at this time for the following reason.

The correct and full filing fees must be submitted with the Notice of Claim in order to include your water right in the report to the court. When this claim was originally filed, insufficient fees were paid for the claimed water uses (fire protection). That claimed water use has since been approved and licensed as water right number 95-12432. We will hold your claim until the remaining portion of filing fees in the amount of **\$25.00** are received. If we do not receive the balance of the required filing fee or a request for claim withdrawal within 30 days, this claim cannot be recommended to the Court and will be rejected. Your recently acquired water right license with the same number and purpose of use will not be affected.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,
