On January 30, 2017, the Court entered a final order disallowing the above-captioned water right on the ground it was not claimed in the Coeur d'Alene-Spokane River Basin Adjudication. On July 17, 2017, the Snowshoe Mining Company filed a *Motion to Set Aside* the final order disallowing the right. A hearing on the *Motion* was held before the Court on January 18, 2018. For the reasons set forth on the record, the Court determined that the movant set forth sufficient grounds to set aside the Court's final order under Idaho Rule of Civil Procedure 60(b)(1).

Therefore, IT IS ORDERED that the Court's final order disallowing the above-captioned water right dated January 30, 2017, is hereby set aside with respect to the above-captioned water right.

Dated January 18, 2018
