Subject: Water Claim A63-20247, Vallivue Lions Club, Caldwell,
Idaho (Water Rights) (Tort Claim) (Outgrants)

Ladies and Gentlemen:

During our recent construction activities at Lake Lowell, we became aware of the subject water rights claim. Please be advised that we consider the water at this diversion to be waters appropriated by the United States for the Boise Reclamation Project. The Lions Club diversion appears to be from a Reclamation project drain, which recaptures return flows for redelivery downstream. These waters are not, therefore, public waters available for appropriation.

Should you have further questions, you may contact me at 334-1460.

Sincerely,

Jerrold D. Gregg
Project Superintendent
