RE: Ownership of Water Right 95-876

Dear Mr. and Mrs. Walker:

The Idaho Department of Water Resources ("IDWR") has become aware that you may be the current owner of Lot 2, Lake Park, in Kootenai County, Idaho. If so, because water rights are appurtenant to the land where they are used, you may also own Water Right No. 95-876, which authorizes diversion and use of water from Twin Lakes. Among the elements of Water Right No. 95-876 is a remark stating, "Lots 1 & 2, Lake Park Addition." Water Right No. 95-876 is currently claimed in the ongoing Coeur d'Alene-Spokane River Basin Water System Adjudication ("CSRBA") by Colby A. Clark and Kathryn Clark.

Idaho Code § 42-1409(6) states: "All claimants and purchasers shall provide the director written notice of any change in ownership or of any change in mailing address during the pendency of a general adjudication. All purchasers shall submit some evidence of ownership along with the notice of change of ownership."

I have enclosed a Notice of Change in Water Right Ownership form for you. You can also find the form on the Department's website: www.idwr.idaho.gov. If you concur that you are the new owner of Water Right No. 95-876, please return the completed form along with the required supporting documentation to the Department's Northern Region Office, 7600 Mineral Drive, Coeur d'Alene, ID, 83815. Because there is a pending adjudication claim for Water Right No. 95-876, you do not need to include a filing fee with your submittal of the Notice of Change in Water Right Ownership form.

IDWR became aware that you may be the current owner of Water Right No. 95-876 because a copy of a warranty deed executed July 13, 2017, and recorded on July 14, 2017, in the real property records of Kootenai County, Idaho, as instrument no. 2602733000, conveying real property in Kootenai County from Colby A. Clark and Kathryn Clark to you, was submitted to IDWR in a recent contested case proceeding. For your reference, I have also enclosed the most recent orders issued in that contested case proceeding.
