Subject: Notice of Change in Water Right Ownership 95-11894

Good afternoon Mr. & Mrs. Kruppa,

This is a follow up to the message I left on your voicemail.

I received your Change in Water Right Ownership form today, and unfortunately we cannot accept a Kootenai County Tax Statement as a conveyance document. The Tax notice does not provide a complete description of the property and does not describe conveyances or exclusions associated with the property.

If you could please either e-mail or mail a copy of the signed and notarized Warranty Deed along with Exhibit A, then I will be more than happy to process the ownership change. If you have any questions, feel free to call me at the number below.

Thank you!!!
