I have no idea what this is about. 67-02339 is a license. S.O. file does not have anything from dept. that requires or talks about a measurement. I checked A67-02339 file here & just found claim but no correspondence. If you or anyone in Sigint Section don't have any info on this, perhaps could just file this in claim file? S.O. file has copy in it already.
