1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Purpose of use: external use for 1 home

2. Describe the changes you wish to make in the proposed recommendation:

A provision for more than one home in the future.

3. Give a brief explanation as to why you disagree with these portions:

We've paid taxes on 5 lots (28-32 Leland Home Sites) since the 1960's. Our expanded family hopes to build one or more homes in the future and they will require a legal source of water.

I AGREE with this proposed recommendation: no changes need to be made.
