1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Purpose & Period of & Period of Use

2. Describe the changes you wish to make in the proposed recommendation:

Add a second domestic use

3. Give a brief explanation as to why you disagree with these portions:

When we originally filed the claim, we failed to include a second domestic use on the property which consists of an apartment. A copy of the Kootenai County assessor's report on the property is attached as evidence in support of this change.

I AGREE with this proposed recommendation: no changes need to be made.
