1. Describe the portion of the proposed recommendation with which you disagree (e.g., priority date, period of use, source): *This preliminary recommendation does not include any irrigation acreage. I called Senior Water Resource Agent Linde A. Werner on 2/23/18 and she agreed the "Amended Notice of Claim to a Water Right" (A.N.C.W.R.) that I submitted to her on 8/14/15 was missed when this recommendation was written. The "A.N.C.W.R." includes the claim to the irrigation acreage.*

2. Describe the changes you wish to make in the proposed recommendation:
~~I disagree with this recommendation because no irrigation~~
Please change this recommendation to include the irrigation acreage claimed in the "A.N.C.W.R." that I submitted to Ms. Werner on 8/14/15.

3. Give a brief explanation as to why you disagree with these portions:
I disagree with this recommendation because no irrigation acreage was included as a result of the "A.N.C.W.R." that I submitted to Ms. Werner on 8/14/15 being missed when this recommendation was written.

☐ I AGREE with this proposed recommendation: no changes need to be made.
