Re: Updated Preliminary recommendation for Coeur d'Alene-Spokane River Basin Adjudication
claim 95-8735

Dear Gloria,

I enjoyed getting the opportunity to meet you last week. Thank you for your patience as I tried to get back up to speed with your water rights.

As a result of our discussion, I am enclosing a copy of the updated preliminary recommendation for 95-8735. The update I made was to remove parcel 0-4620-00-032-A and replace it with parcel 0-4080-000-004-A.

Please review the updated preliminary recommendation and if everything looks ok, no further action is required on your part at this time.

Please feel free to contact me if you have further questions.

Respectfully,

Craig L. Saxton
Adjudication Technical Analyst
