It appears the description under Place of Use in reference to Section 19 is not in line with my legal description or the information on my Water Right License. It looks like the reference to Section 19 should be deleted and the acreage of .30 should be added to the SWSE S18. The new amount under the SWSE S18 of .60 added to the 2.50 listed at SESE S18 would still equal the 3.1 total acres. IF THIS IS OK

Thank you
