NOTICE OF ERROR REPLY

COMES NOW Norman M. Semanko of the law firm Parsons Behle & Latimer, and hereby files a Notice of Error Reply in the above-referenced matter on behalf of Rathdrum Power LLC (hereinafter, "Rathdrum").

Deadline for Returning a Notice of Error Reply is: March 30, 2018

NOTICE OF ERROR REPLY - 1

1. Describe the portion of the proposed recommendation with which you disagree (e.g., priority date, period use, source):

Rathdrum disagrees with the language provided, and defined under Quantity as, "The quantity of water under this right for domestic use shall not exceed 2,500 gallons per day."

2. Describe the changes you wish to make in the proposed recommendation:

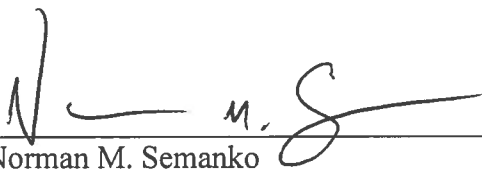

Rathdrum requests "The quantity of water under this right for domestic use shall not exceed 2,500 gallons per day," be eliminated in its entirety, as Water Right Number 95-8924 was not licensed with a daily limitation.

3. Give a brief explanation as to why you disagree with these portions:

As we understand from Chad Gibson, the 2,500 limitation was included in the domestic portion of the preliminary recommendation for Water Right No. 95-8924 because of the \$50.00 fee paid for a de minimis domestic water right. An additional \$4.00 payment for a standard domestic water right, along with said Notice of Error Reply, will cure this limitation.
