Re: Bruce W. Ratchford and Lorrie Ratchford
Water Right No. 95-10927
Our File No. 7076.005

Dear Linda:

Many thanks again for your assistance today with respect to the Ratchfords notice of claim information and claim number 95-10927.

This confirms that the undersigned will be representing Mr. & Mrs. Ratchford with respect to this matter. All mailings and notices that may arise can be sent to me at my email address or post office address as indicated above.

This also confirms that with respect to the Ratchfords and their water right ownership, that the only additional matter is to fill out and sign and send back to you on or prior to March 30 the approval agreement with respect to the proposed recommendation. I will have that executed and will have it in your hands well before the 30th of this month.

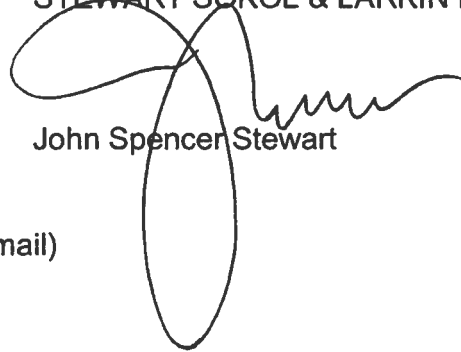

It is very possible that we will attend one of the meetings and I look forward to meeting you. If that is not possible, I still look forward to working with you and appreciate very much your efforts to guide me accordingly.
