Remarks:Comments:

1. Igraves 5/26/2006 P/D

Comment: Per telecon with Arlene Collett, wife of previous association president, the domestic system consists of a primary well and a back-up well, both located on the same lot.

2. Igraves 5/26/2006 P/U

Comment: Per Arlene, ground water is used for internal domestic use only. Black Canyon Irrigation District water is used for lawn irrigation. Lot/block info specific to the 40 homes was not listed in county tax records or the licensing exam. As a result, condition X60 only describes the name of the subdivision for the p/u, which is sufficient since the subdivision only contains 40 total lots/homes.

CONVERSATION MEMO

Date: 5/26/2006

Agent: Lori Graves

With: Arlene Collett

Subject: Subdivision Contact/Address, P/Ds

Claim No.(s): A63-8082

The claim lists Rae Wolfe as the association contact. County records indicate Roger Collett as the contact. Rae Wolfe is not listed in the phone book. I called Roger Collett and spoke with his wife Arlene. She stated that they just had elections and that Anthony Driscoll is the new president and contact person for the association. The enclosed change in address form was sent to Anthony the date of this memo.

The claim indicated one well used. The licensing field report verified two wells (adjacent). Arlene stated that the domestic system utilizes a primary well and a back-up well, both located on Lot A, Block 1. The ground water is only used for internal domestic use. The lawns are irrigated with a separate pressurized system that uses water from Black Canyon Irrigation District.
