To whom it may concern,

While processing the ownership claim for my water right 95-15686, the agent brought to my attention the existence of another possible claim, 95-7688. I have enclosed copies of this notification.

Upon investigating and discussing this particular water right with my neighbors, I have come to the conclusion that I have no interest in filing for ownership of same (95-7688). The unnamed stream which is the source of the water lies more than ¼ mile from my property line. With the division of the original elk farm property over the years, my parcel of land is no longer accessible to that water source.

Thank you for your attention in this matter, with my apology for the delay.

Sincerely,

A handwritten signature in cursive script, reading "Richard E. Oetting", is written over a horizontal line.

SUBJECT: Completed Ownership Change on Notice of Claim Number(s) 95-15686

Dear Mr. Oetting:

We have received your change of ownership request on Notice of Claim to a Water Right Number(s) 95-15686. Enclosed are copies of the claim(s) showing such change; for your records. Also, this information can be accessed on our website at www.idwr.idaho.gov.

Please note – while processing this ownership change; it came to our attention that there may be another water right appurtenant to a portion of the property you purchased from the Cruzes'. That water right is numbered 95-7688 and is for irrigation usage from an unnamed stream tributary to Twin Lakes. If this right is being used on your property you will also need an ownership change completed on the portion being used.

To that end; I am enclosing a separate change of ownership form which may be used to advise us of the ownership change for the portion of your property for which the irrigation right is used, and a map to show where the water usage is occurring; along with a copy of the water right to assist you in completing the form. Be sure to also enclose a copy of the warranty deed showing the legal description of the land being conveyed.

As with the prior ownership change, there is no fee because this right is pending in the Coeur d'Alene-Spokane River Basin Adjudication. Be sure to contact me if you have any questions.

Sincerely, ..

Linda A. Werner
Water Resource Agent, Sr.
