RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-56

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. In your reply you inquired if this water right also authorizes the use of well water for domestic purposes on your property. This water right is only for the use of water from Hayden Lake for the irrigation of up to 2 acres. If you would like to claim the domestic use of water from your well, a new Notice of Claim to a Water Right form will need to be submitted. For your convenience, I have enclosed that claim form along with instructions.

If you have any questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,
