c. If the property is owned by a person other than the applicant, describe the arrangement enabling the applicant to make this filing _____

10. Remarks Water will be used for night irrigation of Shoshone Park lawn and planting areas. The amount applied for exceeds that normally used for irrigation but this is necessary to insure minimum public inconvenience during daylight hours and is consistent with previous applications approved for city parks. The high application rate is necessary to provide peak irrigation requirements during the maximum growing season within the limited time available for night irrigation during long daylight-hours days in the summer.

Dear Claimant:

Enclosed are copies of the claims for the City of Boise which reflect the change in name for the land and appurtenant water right(s) covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process these claims for final court decree.

In addition, enclosed is a copy of the Notice of Completed Administrative Proceedings which has been sent to the SRBA court as notification of this change.

If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Dear Ms. Buffington:

Please find the attached Notices of Change of Water Right Ownership. These forms do not indicate any changes in the City of Boise's ownership, but request changes to how the City of Boise is listed as owner on its claims. Our intent is to have all the City's claims listed under the same format: City of Boise, followed by the managing Department and address.

Hopefully the forms are completed to your satisfaction. There are three forms and accompanying lists of water rights; one each managing department within the City of Boise. Also included is a list of Department heads as requested in item 7 on the Notice. If you have any questions please give me a call at 384-3984.

Sincerely,

Beth K. Baird
